

# BACTERCLEAN

Neoprene wetsuit Disinfectant

## PRODUCT DESCRIPTION

BACTERCLEAN is an antibacterial product which comes from the Watertech™ technology, and this has been developed to disinfect neoprene clothing and nautical supplies.

Easy to use (no need to rinse after use), BACTERCLEAN will disinfect deeply and durably your wetsuits (for surfing, diving, windsurfing, sea wading and all other water-sport activities) to get a perfect hygiene once dried.

BACTERCLEAN is widely used in water-sport clubs.
